

6pm autumn launch

6pm autumn launch

Everyone is invited to our autumn launch.

At the start of a new year in the life of St Helens we're going to look ahead to all that we'll be doing as a church family over the next 12 months. We'll enjoy fellowship over a good meal, some time to focus on God's word and we'll pray together for the year ahead.

If you're new to St Helens there will be a chance to find out what we're about as a church, meet some regulars, and to sign up for a Bible study group.
